

IMTIAZ AHAMMED PRINCE

COMPUTER OPERATOR & WEB SPECIALIST

Phone: 01838734453 || **Email:** imtiazpt97@gmail.com

Portfolio: <https://imtiaz-portfolio.pages.dev/>

Address: Feni, Bangladesh

PROFILE SUMMARY

I am a dedicated computer operator with strong technical skills in preparing test question papers and submitting online application forms for college admissions and government jobs. Currently pursuing my honors degree in Social Work, I also create clean graphic designs for digital media and build functional, customized websites using WordPress. I specialize in typing rapidly, managing client data with precision, and ensuring all online submissions strictly follow official requirements. Whether creating promotional material, setting up web pages, or organizing documents, I consistently deliver reliable, neat, and high-quality results tailored to each client's specific needs.
